

TCN stakeholders from the 12-county Coastal Bend area (Aransas, Bee, Brooks, Duval, Kenedy, Kleberg, Jim Wells, Live Oak, McMullen, Nueces, Refugio, & San Patricio), work cooperatively to promote transportation coordination for the region. The TCN website is www.TCNCB.org

Please give us your input about public transportation needs in the Coastal Bend Region

The Transportation Coordination Network of the Coastal Bend Region (TCN) is conducting a survey to document the needs for public transportation in the region.

The survey will also identify the transportation resources that are available. That is, some churches or community organizations have vans or cars that are made available to transport their members to medical appointments, to buy groceries, or to go to senior day care facilities. We need to find out about these resources.

The survey is short and designed to collect your information quickly. We appreciate if you can give us a few minutes of your time to complete the survey. You can find the survey by clicking on this link or you may copy the link and paste it into your web browser.

www.surveymonkey.com/s/cbend

**Survey will remain open until August 10
If possible, please complete the survey by Friday, July 23**

Please share this information with your networks so that we may gather the most comprehensive data possible in order to develop a plan that will effectively and efficiently serve all of the residents of the Coastal Bend.

Contact Sara Salvide at (361-853-9200; ssalvide@ccrta.org) if you would like a copy mailed to you or if you have any other questions/requests.

If you complete this survey in writing, please
U.S. Mail to: Linda Cherrington, P.O. Box 16169, Galveston, TX 77552
